The book, which was awarded the **BlueInk Review “Notable Book” award** in its 1st edition, has been released in a completely expanded and updated 2nd edition (publish date Oct. 23, 2020; \$18.99, paperback; \$9.99, e-book). The book includes four new chapters and over 100 pages of new content. The second edition has been re-written from the ground up and represents a significant upgrade to the original work.

Available online at all major retailers and at the [Xulon Press Bookstore](#)
